Meet the Mastermind behind AR Jaffer Professional Corporation

CPA, CGA, MBA, BComm

Ali Raza Jaffer is a family man and a Chartered Professional Accountant, with extensive experience in client care, tax planning and restructuring, business advisory and partnering with professionals. A man whose core beliefs are to build value and trust, creating quality relationships with his clients. Ali Raza is growing his clientele across Ontario, and has a niche expertise in the area of Health Care Practitioners.

VALUE and TRUST, creating quality relationships with his clients

A.R Jaffer Professional Corporation has been my accountant for more the 10 years now. ...

We have multiple corporations and businesses and they guide us through all of our filings, monthly P/L's, quarterly and annual review's and have assisted with CRA audit's. Having a good accountant on your side is important to every business's success.

ENABLING CLIENTS TO SHARPEN THEIR BUSINESS FOCUS

Ali has acted as a trusted advisor for my business and the team is always willing to step up and assist me, ... they are all very client focused. We just recently migrated to Receipt Bank so that everything is online, and we are shifting away from paper-based management of my business which is fabulous.

I would highly recommend this team to anyone looking for accounting support as well as trusted confidants who are invested in the success of your business.

- Joanne

MISSION STATEMENT

Our client's success is our ultimate ambition. We turn our knowledge and understanding of the industry into value for our clients. We endeavor to help you prosper through providing superior client service and build long-term quality client relationships.
